## ROLAND SÈHOU A. DJAKPO

Accountant / Project Assistant  
SODEV International  
Cotonou  
Republic of Benin

Mr. Roland Sèhou A. Djakpo was born in Djanglanmey and currently resides in Cotonou. Mr. Djakpo began his schooling in his hometown in 1995. After obtaining his Certificate of Primary Study he enrolled in the Public Primary School of Hinvi-Dovo, municipality of Allada. In 2013 he earned a BAC D, a license in Accounting, Audit and Management Control from the Faculty of Economics and Management of the University of Abomey-Calavi and in 2016 he was awarded a Master's degree in Accounting Management. in 2016.

Mr. Djakpo previously worked as Assistant Head of the Analytical Accounting Division in the Public Relations Department of the Benin Broadcasting and Television Board. After this rich experience, Mr. Djakpo was employed by the Office of Topographic and Land Surveys Benin Topo-Foncier and the Office of Studies and Engineering-Consulting Assurance-BTP.

Since February 2017, he has been employed by SODEV International-Benin. As an accountant and project assistant, his role is to ensure the smooth running of accounting through traceability, transparency of financial transactions and the recording of accounting documents. He also writes training sheets, conducts training sessions in accounting, participates in missions and other activities. He is always ready to carry the torch of SODEV wherever the need arises.
